29 May 2020

<https://covidadvisories.iisc.ac.in/>

THOSE WHO ARE COMING FROM RED ZONES

AS OF TODAY THE RED ZONES ARE MAHARASTHRA, DELHI, GUJARAT, TAMILNADU, MADHYAPRADESH, RAJASTHAN**

The faculties will fill the Re-entry form (URL: facultyreentry.iisc.ac.in) and submit a PDF copy of the same to the Registrar

Arrival by Flight/Train

A- Asymptomatic individuals

- Faculty will complete the formalities at the Airport/ Train station and come to Quarantine facility in CVH, IISc, which is approved by BBMP
- 5th Day after arrival, the faculty will be tested in ESI/KC general hospital and submit the report to the HC as and when the report arrives.
- If the report is negative, the faculty will undergo home quarantine for additional 7 days
- If the report is positive, the faculty will be shifted to the hospital upon consultation with HC doctors

B- Symptomatic individuals

The faculty will be shifted to the hospital directly from Airport/Train station

THOSE WHO ARE COMING FROM STATES OTHER THAN THOSE LISTED ABOVE

A- Asymptomatic individuals

- Faculty will complete the formalities at the Airport/ Train station and go to their respective homes for 14 days home quarantine.
- Home quarantine period will be for the entire family.
- If they develop symptoms during their quarantine period, they have to be referred to COVID care center for opinion and testing as recommended.

B- Symptomatic individuals

The faculty will be shifted to the hospital directly from Airport/Train station

SOP FOR FACULTIES COMING FROM OTHER COUNTRIES***

- The faculty and dependents if any, are to complete the necessary formalities at the port of entry.
- The faculty and dependents if any are to complete a 7-day period of Institutional Quarantine which can be completed either in the places identified by BBMP or Centenary Visitors house in the IISc.
- If the faculty prefers CVH they can contact the concerned person in charge of CVH for booking room (quarantine rooms)
- Necessary expenses for the guest house are to be borne by the individual.
- They have to purchase a thermometer and pulse-oximeter for monitoring their parameters during the period of Institutional quarantine.
- If the seven-day period of institutional quarantine is uneventful then they can complete further period of 7 days in Home quarantine.
- If the faculty and dependents are found to be symptomatic on arrival, they will be sent for testing and further management according to the existing state government protocol.
- Symptomatic returnees will not be permitted for quarantine in CVH guest House.
- During the period of quarantine they have to be in contact with Medical officers who have been identified to monitor their health .

Precautions to be followed during Quarantine

- Register with GoCoronaGo App
- Use of mask is mandatory in campus.
- Follow strict social distancing till further notice
- Follow a very strict 14-day self isolation after arrival
