# Sanitization

## Regularly done in Hostels

Hostel Office team sanitizes the hostel facilities regularly every 2 hrs during the day and every 4 hrs during the night.

[Click for video](#)

# Access

## Preparations done for your arrival

Your hostel room mates have helped in organizing separate access to

- Lifts
- Water Coolers (marked Q and NQ)
- Washrooms

Please follow the signs and instructions for a safe community living

# 14-days

## Student Returns to the Hostel Room

Student reaches the Hostel during **9:00 AM – 7:00 PM**.

Student shows Student ID, Quarantine Pass, stamping mark, to security personnel and enter the register at the entrance of the hostel.

Hostel Office team will sanitize the hostel room  
In your presence.

# C-MESS

## Take-away Dining during Quarantine

Student needs to carry the

- Quarantine pass and student ID card
- Tiffin box

to C-MESS to take-away a meal and return to the Hostel room to have the meal. No sit-in dining allowed. Students who are not under quarantine go to a different MESS.

**Mess workers will wear protective gear for hygiene**

# DO's & DON'Ts

## HOW TO WEAR A NON-MEDICAL FABRIC MASK SAFELY

[who.int/epi-win](https://who.int/epi-win)

### Do's →

Clean your hands before touching the mask

Inspect the mask for damage or if dirty

Adjust the mask to your face without leaving gaps on the sides

Cover your mouth, nose, and chin

Avoid touching the mask

Clean your hands before removing the mask

Remove the mask by the straps behind the ears or head

Pull the mask away from your face

Store the mask in a clean plastic, resealable bag if it is not dirty or wet and you plan to re-use it

Remove the mask by the straps when taking it out of the bag

Wash the mask in soap or detergent, preferably with hot water, at least once a day

Clean your hands after removing the mask

### Don'ts →

Do not use a mask that looks damaged

Do not wear a loose mask

Do not wear the mask under the nose

Do not remove the mask where there are people within 1 metre

Do not use a mask that is difficult to breathe through

Do not wear a dirty or wet mask

Do not share your mask with others

A fabric mask can protect others around you. To protect yourself and prevent the spread of COVID-19, remember to keep at least 1 metre distance from others, clean your hands frequently and thoroughly, and avoid touching your face and mask.
