

SOP for Doctor's consultation Quarantined and NON-Quarantined Students

30 June 2020

· **Students in Quarantine**, must call the Health Center (HC) desk

· Health Center desk will connect the student to the doctor

· Students can use Whatsapp call to connect and speak to Doctors

After consultation with the doctors, medicines if any required will be delivered to the hostel/guest house with the help of the ambulance driver.

· If any Quarantine student is already in touch with a particular doctor, she/he can call the doctor directly

· **Students, NOT in Quarantine** must call the health centre desk and talk to the doctor

· If the Doctor advises the student to come to HC, only then the student will visit the HC with the medical book

· The Non-Quarantine students can collect their medicines on their own, provided they are advised to come to the health center by the respective doctors.

Visit to HC will be only allowed after Doctor's approval till further notice. This is to protect the students from the outside and in-house patients who visit the HC
