

13 Aug 2020: Update on COVID situation

Dear Member of the Campus Community,

Hope you are doing well!

The updates on the COVID situation are given below:

- **1-10 Aug 2020:** The details of those who were tested COVID positive are given below:
 - Temporary employees (including project staff, post-docs, consultants, temp employees from service providers), living off-campus: 8
 - Student: 1
 - Pensioner and family members of pensioners living off-campus: 2
 - Employees and family members on campus: 3
- **11 Aug 2020:** 129 samples were collected on 10 Aug 2020, as per the guidance of the area medical officer of BBMP (in consultation with our health centre) for COVID testing. Conclusive results for 120 samples were obtained on 11 Aug 2020. Based on these results, the following were COVID positive
 - 6 students
 - 1 post-doc living off-campus
 - 2 temporary employees off-campus
- The COVID positive students were asymptomatic and have been moved to KRVH for home isolation. Other patients have been advised about home isolation.
- **12 Aug 2020:** 1 temporary employee belonging to the human services provider and 1 temporary employee living off-campus have been tested COVID positive.
- The number of active COVID positive cases, under home isolation, living on campus, as on date, is 10, and all other patients who have completed their home isolation are declared to have recovered.

The HC staff and doctors, security staff, hostel and dining hall staff, are continuing to provide their invaluable support in these difficult times and please join me in expressing our sincere gratitude to all of them.

Please observe all social distancing norms to stay safe and healthy!

Thanks

Regards

Hari
