

Gymkhana reopens on 18th Aug 2020

Dear Member of the Campus Community,

Hope you are doing well!

IISc Gymkhana will be reopening on **18th August 2020** with limited facilities. Presently, the Gymnasium, Badminton, Table Tennis and Tennis facilities will be opened for members of the Gymkhana.

All members are requested to go through the [SOP for Gymkhana](#) and maintain social distancing and other guidelines while using the Gymkhana facilities. In order to maintain social distancing within the Gymkhana premises, a limited number of members would be allowed to use the facilities at any given time.

Members of Gymkhana need to book the time slot using the [Gymkhana Facilities Reservation \(GFR\)](#) portal. As of now, only those members who have IISc email addresses can make the booking. Family members of the employees will be allowed after some time.

Please note that

1. Booking of time slots for Badminton and the Gymnasium is enabled for now and booking for table tennis will be enabled shortly.
2. You may reserve your slot up to one day in advance.
3. QR code-based movement logging system will be implemented at the entry/exit gates of the Gymkhana.

Stay safe and healthy!

Thanks

Regards

Hari
