

**28 July 2020 : Additional Update on COVID Situation**

Dear Member of the Campus Community,

Hope you are doing well!

The student patient who was hospitalized has been discharged from the hospital and has returned to SGH.

Late evening today, SIX students residing in NGH were informed by BBMP that their COVID test results were positive. They are asymptomatic and have chosen to move to KRVH, under the care of the HC doctors. Parents of students have been informed about their status.

NGH will be sealed for 14 days. Food and essential items will be delivered to all residents of NGH during this period.

Please note that BBMP informs only those whose results are positive.

Stay safe and healthy!

Thanks

Regards

Hari
