

**31 July 2020 : Update on COVID Situation**

Dear Member of the Campus Community,

Hope you are doing well!

During the past few days, we have reports of more cases of people who have tested COVID positive. These include:

- Seven students were informed by BBMP that their COVID test result is positive. They have been moved to KRVH under HC doctors. All thirteen students are doing well and have not shown any symptoms.
- All thirteen students provided swab samples **again** and awaiting the results of the tests.
- One pensioner
- A family member of an employee
- HC staff nurse

All are being observed and appropriate steps in the identification of primary contacts are being taken care of.

Thanks

Regards

Hari
